THE DARK JUDGES

Signature

D. MILLGATE
- 2011 -

A dark, industrial scene with a large mechanical figure in the center, a dinosaur-like creature on the left, and a glowing skull in the background. The scene is lit with red and orange light, suggesting fire or a hellish environment. A speech bubble is present in the upper right corner.

DEATH

FOR A SHORT WHILE AFTER DEATH, LATENT IMAGES ARE RETAINED BY THE BRAIN. A SKILLED TELEPATH CAN EXTRACT THEM -

SNATCHER'S LOCATION COMIN' THROUGH - BUT FAINT...

SOMEWHERE DARK... DRIPPING... HIGH RADIATION LEVEL... THERE'S A NAME THERE... FOCUS... GOTTA FOCUS!

IT'S A STREET CROAK... NO - CROCK... CROCKER, CROCKER STREET!

THAT'S IT, SROGAN. YOUR SENSES GOIN' COLD ON ME.

IT'S ENOUGH. THE ONLY CROCKER IN THE CITY WITH A HIGH RAD LEVEL IS IN SECTOR 61!

SIGH: IN ONE OF THE MANY AREAS DE-VASTATED BY THE APOCALYPTIC WAR -

WE'VE STILL GOT TO PINPOINT THE SNATCHER'S EXACT LOCATION. I SHOULD BE ABLE TO TAP INTO THEIR THOUGHT WAVES AT THIS SHORT RANGE.

COME IN, NUMBER 9! YOUR TIME IS UP!

ANDERSON CAN'T RESIST HER LITTLE JOKE. NOT NORMAL FOR A JUDGE!

STILL, IT'S ANY HIGHLY-STRUNG. WE'VE GOT TO ALLOW THEM THEIR LITTLE PERSONALITY DEFECTS.

GOT 'EM! THREE OF THE CREEPS - SUB-BASEMENT, WILSON TUCKER BLOCK RUINS.

THERE IT IS!

THE JUDGES DESCEND INTO A MAZE OF DARK UNDERGROUND PASSAGES -

WHAT THE HELL'S KEEPING HARLEY WITH THAT RANSOM?

THE INTERCOM CRACKLES -

ANDERSON! YOU'RE REQUIRED IN
PDI-LAB. STRICT JUDGE JUST
WHEELED IN A CRACKER.

ENGLAND'S DUTY TELEPHONE -
CAN'T HE HANDLE IT?

HE'S BUSY.
SHUT IT.
WILL YOU?

ANDERSON...?
IS THERE
SOMETHING
WRONG?

NO. I'LL BE WITH YOU
IN A JIFF...

JUST DREAM!
